Metallic paint

The Porsche 911 Speedster is based on the 911 Speedster concept car revealed to the world in 2018, with an appearance characteristic of the 356 "No.1" Roadster from 1948. Thus, only 1,948 units will be made, of which this is number 553. At only 1,465kg, the Speedster accelerates from 0-62mph in 4.0 seconds and has a top speed of 190mph, making it a true purist sports car.
