Top Speed limit increase to 190mph

The Audi RS6 Avant GT is the pinnacle of the RS6 model series, and as such, marks the end of production of the Audi RS6 Avant. A limited number of 660 examples worldwide, 60 of which are earmarked for the UK. The RS6 GT was available in three colours: Arkona White, Mythos Black and Nardo Grey, and came with Audi Sport Heritage Decals, inspired by the Audi 90 Quattro IMSA GTO race car from 1989. The changes weren't just aesthetic, however – Audi Sport reworked the Quattro rear differential, and the RS6 GT's 4.0-litre, twin-turbocharged V8 outputs 620bhp and 850Nm of torque, hitting 0-62mph in 3.3 seconds and with a top speed of 190mph.
